

Committee Activities**Worship Committee**

Planning for services continues with good successes. Kudos to Casey Dake for including an agenda item each month called “services report” – whereby the committee gives input regarding the last month’s services positive and negative. This allows us honest discussion on what is working or not working. We feel this is a great addition. I would like to see a formal thank you from the Council or Board for this innovation.

The Worship Ministry Team has now met twice, regular meetings calendared (4th Wed of month). This team has discussed the strengths of all members and the passions of all members. Our task will be to creatively assist in forming worship services, both on Sundays and on weekdays. This allows the Worship Committee to tend to the “business” end of things.

Mid week services planned: March Taize services – Four Tuesdays; April – Good Friday and Seder; May – TBD.

Worship committee continues sending a liaison to Music committee. One of the suggestions was a more formal exiting down the main aisle – when this occurred some weeks ago – it appeared very deliberate and organized. VERY well done. That feedback will go to Music Committee this month.
