like your input...where do we go
from here? This Sangha is a study group for
discussing life's path through Buddhism.
We welcome all who are interested.

Flowers

for worship services
do not magically
appear. They are there
on Sunday because of generous sponsors. For
only \$25 you can sponsor flowers and at the
end of the 2nd service you can take the main
bouquet home. So help keep flowers in our
worship services. Contact via text or call,

A Note of Thanks from Planned Parenthood:

*"Thank you for your gen-
erous gift supporting our
Thousand Oaks Health
Center. At this difficult time every gift
makes a difference to our patients and
our staff. It tells them that there are
people in the community who truly care.
This arson attack will not break our
resolve to provide the compassionate
care that our patients need and deserve.
As you know, our top priority is provid-
ing confidential care to the woman and
men that visit our health center. One in
five women will rely on Planned
Parenthood for health care in her life-
time. Many patients turn to us because
they have nowhere else to go. Thank
you for standing with Planned
Parenthood!"*

Machine" is ninety minutes of Zimmerman's
hilarious, rhyme-intensive original songs.
His songs have been heard on HBO and
Showtime. He's shared stages with Bill Ma-
her, Robin Williams, Ellen DeGeneres, John

Looking for Chalice Lighters!

We are changing
things up a bit
when it comes to
inviting our young
ones to light the

chalice during first service. Starting in the
month of December we will be having
sign-ups for our families to commit to
coming in on a particular Sunday of
choice and take a small but important part
in the service. This will allow us to stop
the last minute rush in finding a chalice
lighter and, as an exciting bonus, add the
child's name to the Order of Service. If
your young one is interested in assisting at
a service during the months of December
or January, please contact Sam Dickerson
at dre@cvuuf.org. We look forward to
seeing you and your children in service.
