

July Worship Report

Our newest member is Johnathan Levy. We continue to solicit new blood for the committee.

No progress on finding a choir director but Frances is following up with the places and persons to whom the ad has been sent.

Jo Ann is trying to improve the performance and attendance of ushers. She's sent out a plea to current ushers to try to get new people. There have been two ushers who are unavailable for long periods.

A quarterly worship meeting was rescheduled for Aug. 18th and we will work on portions of the Sunday service to make the Sunday morning experience more worshipful.

The worship committee is meeting on Sunday, August 15th with a representative of the Ministerial Search Committee to discuss the process and our ideas of what we want in a permanent minister.
