Dear Member of the Conejo Valley Unitarian Universalist Fellowship,

For the past five years, our congregation's Community Forum program has been providing a series of speakers, films and events for our members and the wider community. Our aim has been to organize and present public programs that inform, inspire, delight and promote our congregation's mission.

We are interested in assessing how well the programs meet the needs of our diverse membership. For that reason, we invite you to participate in a brief anonymous survey. The survey takes about five minutes to complete and will be available online from November 15 until December 9. To take the survey from your home computer, your tablet, or your mobile phone, you simply click on the link below or cut and paste the entire URL into your browser.

Beginning Sunday, November 17, and on subsequent Sundays until the survey ends, a computer will be set up in Fellowship Hall for your use before and after services. Your responses to this survey will be used to help us assess and plan going forward.

Thank you so much for helping us better serve the needs of our congregation while we help to nurture spiritually courageous people who transform the world through justice and compassion.

In fellowship,

Board of Trustees & Community Forum
