Committee Activities

Neighborhood Networks –

Laure and Christine report that everything turned out just great on DOT Sunday.....all the groups were well attended and there was an abundance of food. The merged neighborhoods have new names and new colors. Wildwood and Northwest Territory will now be 'Wildwest' and their color will be purple. Simi Valley and the Belly Button have combined forces as 'Suddenly Seymour' and their color is a rainbow. And....Old Meadows and The Redwoods will be called 'Meadowood' and their color is chartreuse. The next DOT Sunday will be August 29th. Laure announced that she is resigning from the NN committee effective June 30th as she will be working on the Ministerial Search Team.

Welcoming-

8 new members were signed in May so we're averaging 3.3 members per month since January. We'll be having a new member induction on June 20th which will be Betty's last day in the pulpit.

I still need to find a replacement for Carol. I am attending the regular Welcoming Cmte meeting this Sunday. I want to make sure that the right person is found for this important committee, so individuals may opt to take charge of a specific aspect of the group with me as a contact point until the right match is found. It has been difficult as I have discovered that many of our people have recently already taken on new and important tasks.

Small Groups-

Barbara has agreed to take over updating the flyers for the groups on the wall in Fellowship Hall. Carol had previously been doing that.
