

Committee Activities**Worship Committee**

Discussed the Order of Service and announcements on back. Janet Brooks sent an email to her committee chairs, this was attached to the agenda. All members agreed that they would speak to as many folks as they could to get their announcements on the back of the OoS. Mike again noted that there are over 20 activities each week, so the “calendar” would not fit if we tried to list them all.

The Worship Planning Group has formed and had their first meeting. Next meeting is 2/25 at 7:30 p.m. Editing of the Worship manual is still occurring.

Worship committee is still sending a liaison to Music committee – this is working well.

Music Committee

Music committee is interested in asking members if they would like to help sing on Sundays – the idea being, a group of folks who like to sing would practice just for Sundays. They would not be expected to sing the very complex songs – just good old standards.

INFO FOR COUNCIL / REQUEST

1. The offering money is being gathered by the worship committee first person – but that is only one person. The policy says two should handle the money to put it away. I would ask the council to discuss who that would be – seems like it should be the Stewardship folks as the second person.

Growth Goals / Progress

Board Goals: Grow from 185 members to 370 members by June 2011, with interim goals of an average of 7.4 new visitors per week, a positive welcoming Sunday experience and structured path to new membership for at least 15% of all new visitors.

GOAL: Sunday experience: Positive first impression, visitors talk to at least 4 people, excellent worship
