

Committee Activities

The Neighborhood Network is planning a Dot Sunday for August 30. Neighborhoods each now have a Lay Minister assigned to help with caring issues.

Social Committee Chair is planning a games night for Saturday, September 5.

Volunteer Chair is working on pulling all information together on members of our community participation in programs and committees.

Welcoming is now working with a newly appointed Lay Minister Coordinator, who will ensure Lay Ministers participate in the Sunday morning welcoming process prior to each service.

Fellowship Group held a retreat in July in which committee chairs participated – the obvious emphasis being how we do our work more effectively.

Growth Goals / Progress

Board Goals: Grow from 185 members to 370 members by June 2011, with interim goals of an average of 7.4 new visitors per week, a positive welcoming Sunday experience and structured path to new membership for at least 15% of all new visitors.

GOAL: Structured and supportive path to new membership

Welcoming Committee is fully on track with “Path to Membership” program.

Neighborhood Network, Social Committee and Hospitality are on task to help retain current membership.

Small Group and Volunteer Committees are committed to sub-structure that will help in the long run with growth, both in ensuring commitment to UU values and organization support.
