Committee Activities

Neighborhood Networks –

Christina Houlberg has agreed to co-lead NN with Christine- Yeah! Lori has agreed to help Christina get adjusted and will be continuing to help in August, as Christina had prior plans during Dot Sunday.
The Ministerial Search Committee will be asking NN to do some networking as part of their research.

Welcoming-

The biggest news in the Welcoming Committee is that we have a very capable and enthusiastic successor to Carol. Yeah! Denise and Carol will work together for a while and she will be staying on the committee so Denise won't be abandoned. We have a great committee of seasoned welcoming folks so all should go smoothly.
In our Path to Membership Classes for July we have 6 people (3 couples). We're doing them without a minister obviously but didn't want to ask people to wait until September when the interim will be here. Hopefully our interim minister will be able to participate in the Sept. 12 and 19 classes.
We have 20 new members since the first of January and I expect to add 6 more in the next month.
No other news to report.

Small Groups-

Barbara has indicated that she would like to retire from Small Groups. Don Venardos has agreed to do the technical aspects of the job. Barbara has agreed to continue in the position until a replacement is found.
