MINISTER'S SCHEDULE:

Rev. Anne will be at the Fellowship Tuesday and Wednesday afternoons; Mondays will be her day off. It is always best to e-mail or call the office for an appointment.

Do you sing or play an instrument?

If so, perhaps you might consider joining

the choir at CVUUF. We rehearse on Thursday evenings from 7:30pm-9pm and sing at services two Sundays per month. In addition, instrumentalists and singers play and sing solos at services on Sundays when the choir isn't singing. We are looking for musicians who would like to contribute in this way to the musical life of the church. Contact Music Director Greg Whitmore (musicdirector@cvuuf.org) if you are interested in joining the choir; singing solos, or playing an instrument at services.

Planned Parenthood Special Collection

Of Santa Barbara, Ventura and San Luis Obispo Counties: On September 30, 2015, the T.O. Planned Parenthood was the victim of arson. This was the second attack on the clinic over just a few months. The clinic was closed for a few days and unable to serve its clients. Today's Special Collection will go to the T.O. Health Center which provides over 7,000 patients with a wide range of health care services each year, over 0-% of which is lifesaving preventative care like cancer screenings, birth control, and sexually transmitted infection testing and treatment. Please make your check payable to CVUUF and write PP on the memo line.

Caring Community

Our grateful, caring thoughts are with these:

Celebrating milestone birthdays: Nancy Cooper's mom 95 years young;

If you are in need of pastoral care, a listening ear, a ride to church or care while you're ill our pastoral care team and neighborhood networks are here to help. Call the office for more information.

E-mail: pastoralcare@cvuuf.org or Neighborhood@cvuuf.org to reach your neighborhood leaders.

Beyond Categorical Thinking Workshop

Sunday, November 1, 2015

Attend service at 9:15, & then the workshop at 11:00 to 2:30. **Lunch \$10, RSVP required** and childcare (reservations required).

Our Communication Director, Jake Holland, is leading a project to update our web site. The new site will be: much easier to post with news, activities, and events of our busy congregation; optimized for smart phones; and more accessible to Google and other search engines (it'll be easier to search for us!). This month expect to see a new home page and a "Members' Area" button which will link to the current site and offer the password-protected content that currently resides there. The final step will consolidate the old with the new. Stay Tuned!

Thanks to Jake and all those helping to make this vital project happen.
